Motion to Suppress Seized Electronic Equipment, Data, and Email Records

On or about October 4, 2017, raided the premises of Hi=Tech pharmaceuticals. As that computers and hard drives were seized by Goveernment agents. These included a computer with the Defendant's email communications between the Defendant, allegedly Mr. Wheat, and others. The Defendants communications were also seized pursuant to a warrant issued to YAHOO. A warrant had issued on May 17, 2017, and on October 28, 2014. The October 28, 2014 was directed specifically against the Defendant

For the reasons previously argued by co-Defendants, this evidence must be suppressed as the warrants were overbroad, were seized even if they caontained protected information, ,and were stale.\\

WHEREFORE, Defendant asks that a hearing be held and that this material be suppressed.
